All Terms Subject To Change

Credit Card Information	
Annual Percentage Rate for Purchases	The rate is variable, as described herein. The variable rate, if calculated today (July 1, 1999), based on the current Prime Rate of 7.75%, would be 17.24% APR.
Variable Rate Information for Purchases	Your annual percentage rate (APR) may vary. The rate will be adjusted monthly and will be determined by adding a Margin to the Index. The Index will be the highest Prime Rate published in the "Money Rates" section of *The Wall Street Journal* on the first business day of the month in which the billing cycle begins. The Margin will be 9.49%. However, if your account becomes 30 days past due or is closed because of default, the Margin will be 13.49%.
Grace Period for Repayment of the Balance for Purchases	If you pay your previous balance in full on or before the due date shown on your previous statement, you will have a grace period on purchases of 25 days (from the statement closing date to the payment due date).
Method of Computing the Balance for Purchases	Average Daily Balance (including new purchases)
Annual Fees	None
Minimum Finance Charge	$.50
Transaction Fee for Cash Advances, and Fees for Paying Late or Exceeding the Credit Limit	Transaction Fee for Cash Advances: greater of $4.00 or 4% of the amount of the cash advance. Late Payment Fee: $29.00 each time a payment is late. Over-the-Credit-Limit Fee: $29.00 each month the balance exceeds the credit limit.

The rate for cash transactions will be a variable rate equal to the Prime Rate plus 13.49%. Based on the Prime Rate of 7.75% as of July 1, 1999, the rate for cash advances would be 21.24% APR. However, if your account becomes 30 days past due or is closed because of default, the Margin on cash transactions will be 17.49%. Based on the current Prime Rate, that would be 25.24% APR.

The information about the costs of the credit card described in this application is accurate as of July 1, 1999. This information may have changed after that date. To find out what may have changed, write us at: Associates National Bank (Delaware), P.O. Box , 15687 Wilmington, DE 19850-5687.

Rebate Terms and Conditions: You earn a 3% rebate on net purchases (net purchases are purchases less returns for credit) made during each billing cycle in which the total of payments and credits to your account is less than the Previous Balance on your current statement. Cash transactions, including cash advances and balance transfers, do not qualify for the rebate. The rebate will be calculated each calendar year based on cumulative net purchases posting to your January through December billing statements and will be paid by check once a year before March 15. If your total rebate is $2 or less, it will be forfeited. The maximum rebate you can earn is $20 per billing statement; $100 per calendar year. Your account must remain open and in good standing in order to receive the rebate. If at any time your account becomes delinquent, is closed or is in default you will forfeit all rebates accrued through the billing cycle in which the account was closed, or the delinquency or default occurred. Rebates have no cash value and are not earned until they are redeemed. The terms and conditions of the rebate program may be changed or canceled at any time and for any reason.

New York Residents: Consumer reports may be requested in connection with the processing of the enclosed application and any resulting account or update, renewal, or extension of the account. Upon your request, we will tell you whether or not a consumer report was requested and the names and addresses of any consumer reporting agencies that have provided us with such reports.

Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy consumers and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance within this law.

Wisconsin Residents: Wisconsin law provides that no provision of any marital property agreement, unilateral statement, or court decree applying to marital property will adversely affect a creditor's interests unless the creditor, prior to the time credit is granted, is furnished with a copy of the agreement, statement, or decree, or has actual knowledge of the adverse provision when the obligation to the creditor is incurred.

STATEMENT OF PHILOSOPHY

The University of Memphis is committed to quality academic advising that fosters student growth and development. The main elements of quality advising consist of promoting the understanding of the aims and purposes of higher education; providing information and resources about the University's programs, opportunities, and requirements; and assisting students in identifying their educational and career goals.

The academic advising process involves many segments of the University community including students, faculty members, professional advisors, counselors, administrative staff, and student peers. Advisors and advisees should seek to integrate the services and expertise of both academic and student affairs professionals.

REGISTRATION CLEARANCE

Most degree-seeking students at The University of Memphis must obtain registration clearance from an advisor to register. Students should contact the appropriate advising area to set up an appointment **well in advance of** their assigned day for registration. While non-degree seeking students are not required to have registration clearance, those considering future degree seeking status are encouraged to seek advising.

The following students must receive registration clearance from an advisor: (1) first time freshmen and transfer students, (2) students on academic probation, (3) students receiving veterans' benefits, (4) students who have not enrolled in required Transitional Academic Studies courses, and (5) participants in varsity sports.

Federal Direct Loan Request • 1999-2000

Fall 1999, *Spring* 2000, *Summer* 2000

What is a Federal Direct Loan?

The Federal Direct Loan Program is a cooperative effort between the federal government and educational institutions.

- The federal government provides the loan funds.
- Schools determine the loan amount and interest subsidy, confirm eligibility, and determine the loan period.

Direct Loan provides funds to help you meet your educational expenses. However, unlike gift aid, loans must be repaid. Federal Direct Loans are offered in two forms; subsidized and unsubsidized.

- ***Subsidized:*** You will not be charged any interest while you're in school (as long as you remain at least a half-time student) and during grace or deferment periods. The federal government "subsidizes" the interest during these periods. Your interest begins to accrue and repayment of the principal begins six months after enrollment in an educational institution ceases.

- ***Unsubsidized:*** You are responsible for your interest. Your interest accrues within sixty days of disbursement and may either be paid while you are in school or capitalized and added to the principal loan amount borrowed. As with subsidized loans, principal repayment begins six months after enrollments in an educational institution ceases.

ACADEMIC YEAR LOAN LIMITS

	Base Loan Sub/Unsub	Extended Loan Unsub only *	Total Loan
Freshman	$2,625	$ 4,000	$ 6,625
Sophomore	$3,500	$ 4,000	$ 7,500
Junior	$5,500	$ 5,000	$10,500
Senior	$5,500	$ 5,000	$10,500
Graduate	$8,500	$10,000	$18,500

* available to independent students

Your Total financial aid, including Federal Direct Loans, can never exceed your cost of education. The limits indicated are the federal maximums which you can receive during two terms of enrollment.

There are aggregate loan limits, in addition to annual loan limits. Students may never borrow more than the aggregate loan limit for all subsidized and unsubsidized loans at The University of Memphis and other schools.

AGGREGATE LOAN LIMITS

	Base	Base plus Extended
Undergraduate	$23,000	$ 46,000
Graduate	$65,500	$138,500

Every Federal Direct Loan period is required to have two disbursements:

The beginning and mid-point of the term for one-term loans, or the start of each term for two term loans.

New freshmen borrowers receive their first disbursement after attending class for 30 days.

If you do not need to borrow the maximum amount, you can choose to borrow less.

In deciding the appropriate amount, you should follow these steps.

1. What are your costs for an academic year? Add your costs together for tuition / fees, room and board, books and supplies, transportation and personal expenses.

2. Subtact your resources from these costs. Consider all aid and private scholarships you have received as well as money from savings and your family.

3. Decide if you **need** to borrow. Before you borrow funds, are there other resources available to you? Review your expenses to see if you can reduce your costs.

4. Consult the repayment chart below. What will be the monthly payments be if you borrow this amount? Remember to consider what you may borrow in future years.

5. Select the amount that you can manage to repay. What you borrow today, must be repaid, with interest, in the future. Remember to be as conservative as possible when borrowing funds.

REPAYMENT CHART

Your educational borrowing will have an effect on your future life-style. You need to be aware of what your monthly loan payments will be **before** you commit to that loan amount. Your loan repayment period will not exceed ten years and will require a minimum monthly payment of $50.00. Based on an 8% interest rate, you can expect to make these payments for ten years. Each time you borrow, review the sample loan repayment chart below.

Total Borrowed	Monthly Payment
$ 5,000	$ 61.00
$ 10,000	$ 123.00
$ 30,000	$ 368.00
$ 50,000	$ 613.00
$100,000	$1,227.00

See the other side for the Direct Loan Request Form.

If you responded "yes" to the student loan question on your FAFSA, you will be **offered** the maximum amount o subsidized and unsubsidized loan for which you are eligible. Only use this form if you want a student loan, **and/or** i you want to borrow **less** than maximum, **or** you do not want to borrow an unsubsidized loan (interest on unsubsidize loans accrues while you are in school and during your six month grace period).

In determining a student's eligibility for the need based financial aid programs, all other aid received by the student is counted as a resource and subtracted from the student's budget. This includes external and institutional scholarships, undergraduate and graduate fee waivers, Vocational Rehabilitation, and Veterans' Educational Benefits. Excluded are short-term loans and non-Federal Work-Study employment.

WITHDRAWALS

Students who decide not to attend after registering should withdraw as soon as possible. Students who receive financial aid could potentially be personally responsible for the repayment to the University of a portion or all or their financial aid award amounts.

ENROLLMENT FEE REFUND DEADLINES & PERCENTAGES

The following refund deadlines and percentages apply to students who withdraw from the University or who drop to a reduced number of semester hours below full-time:

DEADLINE	FULL SESSION	FIRST SESSION	SECOND SESSION
100% Refund Deadline	January 17, 2000	January 17, 2000	March 4, 2000 by 12:00 noon
75% Refund Deadline	January 31, 2000	January 24, 2000	March 11, 2000 by 12:00 noon
25% Refund Deadline	February 14, 2000	January 29, 2000 by 12:00 noon	March 18, 2000 by 12:00 noon

NO REFUND WILL BE PROVIDED AFTER THE APPROPRIATE 25% REFUND DATE LISTED ABOVE

A full (100%) refund will also be provided for courses cancelled by the University at any time and in the case of the death of the student during the semester.

Please note the final refund period ends earlier than the final deadline for dropping courses or withdrawing from the University.

The University refund policy is based entirely upon the official date of withdrawal or change of course which would result in a refund. Refunds beyond the specified dates/percentages indicated above will not be made for reasons such as employee conflicts, health or medical problem, moving out of town, or other reasons beyond the University's control or responsibility. The refund percentage is NOT calculated on the amount of payment, but rather on the student's total enrollment fees assessment. Therefore, students who satisfy fees using the Installment Payment Plan may still have a balance due the University for unpaid fee amounts despite their withdrawal from some or all of their courses.

Refunds will be processed and mailed to students **beginning approximately ten (10) days after classes begin**. The University will offset against proposed refunds any amount owed by the student to the University.

The University's urban environment provides a rich opportunity for research and creative scholarship, and for the use of that scholarship in the intellectual and cultural development of the region. The University's commitment to fostering a research and creative environment harmonizes with the other aspects of its mission.

The University of Memphis fulfills its outreach mission through its contributions to professional organizations and to the needs of the community. The University promotes intellectual, cultural and community development through, for example, its artistic programs, lecture series, technical assistance, continuing education and intercollegiate athletic programs.

University of Memphis – Spring 2000
Say You Saw it in the Schedule of Classes

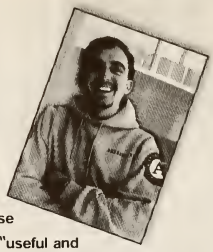
I said to myself, "Is this all there is?"



A few months into his first job after college, Gary Van Deurse needed a break from his nine-to-five routine—a way to feel "useful and alive." Gary found his answer in AmeriCorps. During his year of service in a rural community, he helped improve the lives of families who needed education, affordable housing, and other support. Looking back, Gary says, "Joining AmeriCorps is the best thing I've ever done. AmeriCorps challenged me, opened my eyes, and gave me new skills and new energy."

TIME MANAGEMENT

IF YOU'RE HAVING TROUBLE MANAGING YOUR TIME, HERE ARE SOME TIPS TO HELP YOU GET THINGS DONE!

Each morning, make a list of the most important projects that need to be done for that day and number them in order of importance.

Always give yourself realistic time limits to complete each project.

Do not try to do too much in one day.

Do not move to the next item on the list until the previous item has been finished.

Whenever you attain a new project, write it down and re-prioritize your project list.

MISCELLANEOUS INFORMATION

EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester, some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester The University of Memphis recommends that students with health concerns or conditions seek private medical advice about the appropriateness for them to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown, which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review through the office of the chair of the department in which such chemicals are used. MSDS are also available for review in the Environmental Health and Safety Office, 216 Browning Hall. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer.

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF GI BILL BENEFITS.

Any student using VA Educational Benefits Assistance (GI Bill Benefits) at The University of Memphis should contact the Office of Veteran's Services (119 Administration Building 678-2996). New students should be prepared to furnish the following items as needed: a VA copy of their DD 214 (Certificate Of Release Or Discharge From Active Duty), DD 2384 (Notice Of Basic Eligibility), or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veteran's educational benefits. Some of these restrictions include regular class attendance, satisfactory academic progress and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders

(1) Register with the Office of Veterans Services every semester by completing a Veterans Request for Certification Form.

(2) Report credit allowed for prior training in cooperation with your advisor by completing a "Request for Evaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.

(3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.

(4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, canceled courses, and withdrawals.

(5) Obtain a degree posting sheet/formal degree plan from your advisor, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

HARASSMENT POLICY

Policy

It is against University policy to harass or to discriminate against any member of the University Community on the basis of sex or race. Such actions are prohibited not only by University Policy, but also by Title VII of the Civil Rights Act of 1964 as amended, and Title IX of the Educational Amendments of 1972. Violation of these Acts may subject the University and/or individuals to disciplinary action and may have legal consequences.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the careers, educational experience and well being of students, faculty and staff. Incidents involving sexual harassment or racial harassment have no place within the University. In both obvious and subtle ways, even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff and the academic community as a whole. When, through fear or reprisal, a student, staff member, or faculty member submits or is pressured to submit to unwanted sexual attention, the University's ability to carry out its mission is undermined.

Sexual harassment is especially serious when it threatens relationships between teacher and student or supervisor and subordinate. In such situations, sexual harassment exploits unfairly the power inherent in a faculty member or supervisor's position. Through grades, wage increases, recommendations for graduate study, promotion, and the like, a teacher or supervisor can have a decisive influence on a student's, staff member's or faculty member's career at the University and beyond.

While sexual harassment most often takes place in situations of a power differential between the persons involved, the University also recognizes that sexual harassment may occur between persons of the same University status. The University will not tolerate behavior between or among members of the University community that creates an unacceptable work or educational environment.

A. Sexual harassment is defined as unwelcome sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature when one of the following criteria is met:
   1. submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course or activity; or
   2. submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual; or
   3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creating an intimidating, hostile, or offensive work or educational environment.

B. Sexual harassment encompasses any sexual attention that is unwanted and can take many forms, but most sexual harassment falls into three categories: verbal, visual, and physical. The examples listed above are not exclusive, but simply represent types of conduct that may constitute sexual harassment. Some examples of behavior or conduct that may constitute sexual harassment include, but are not limited to:
   1. refusing to hire, promote, or granting or denying certain privileges because of acceptance or rejection of sexual advances
   2. promising a work-related benefit or a grade in return for sexual favors
   3. suggestive or inappropriate communications, e-mail, notes, letters, or other written materials displaying objects or pictures which are sexual in nature that would create hostile or offensive work or living environments
   4. sexual innuendoes, comments, and remarks about a person's clothing, body or activities
   5. suggestive or insulting sounds
   6. whistling in a suggestive manner

7. humor and jokes about sex that denigrate men or women
8. sexual propositions, invitations, or pressure for sexual activity
9. implied or overt sexual threats
10. suggestive or obscene gestures
11. patting, pinching, and other inappropriate touching
12. unnecessary touching or brushing against the body
13. attempted or actual kissing or fondling
14. coerced sexual intercourse
15. sexual assault

Whether the alleged conduct constitutes sexual harassment depends upon the record as a whole and the totality of the circumstances, such as the nature of sexual advances in the context within which the alleged incident occurred. Please note that sexual assaults may be criminal acts and as such, investigation and processing by the criminal justice system, local police, campus security and crisis intervention centers may supersede the process developed under this Guideline.

C. Consensual Relationships - Intimate relationships between supervisors and their subordinates, and between faculty members and students are discouraged since such relationships could lead to undue favoritism or the perception of undue favoritism. Such relationships are improper when they influence or could reasonably be expected to influence decisions or actions in University-related matters.

D. Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an employee's or student's status or performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based typically on prejudiced stereotypes of a group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race, color, or national origin. Title VII requires employers to take prompt action to prevent individuals from expressing their opinions in a way that abuses or offends their coworkers.

The University seeks to encourage the prompt reporting of such harassment and its prompt resolution through University procedures. THE UNIVERSITY OF MEMPHIS' POSITION ON DRUG AND ALCOHOL USE BY STUDENTS

A. In accordance with local, state and federal laws and with University Regulations promulgated in accordance with the Tennessee Board of Regents policy, students are prohibited from unlawfully processing, using, selling, manufacturing or distributing illicit drugs on University owned or controlled property. Also, students are prohibited from possessing, using, selling, manufacturing or distributing alcoholic beverages on University owned or controlled property.
   - At off-campus University sponsored (funded) events, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs. Alcohol shall not be abused by those of legal drinking age, nor used, possessed or distributed by those who have not attained drinking age.
   - Additionally, students are prohibited from being under the influence of illegal drugs or alcohol while on University owned or controlled property or while attending any University sponsored (funded) activity.

B. Under the laws of the state of Tennessee, a person convicted of the unlawful possession, use, or distribution of an illicit drug or alcohol may face a fine ranging from fifty dollars ($50) to $500,000 and may face imprisonment ranging from thirty (30) days to sixty (60) years. Dependent on the offense and its classification, the fine and imprisonment may vary but will be within the limits noted. Descriptions of the offenses and sanctions listed are located in the Tennessee Code Annotated (T.C.A.) in section 39-17-401 through 427 and in sections 40-35-101 through 504.
   Under the laws of the United States, a person convicted of the manufacture, distribution or possession of any controlled substance may face a fine of up to $100,000 and may face imprisonment of up to one (1) year for Schedule V drugs, and a fine of up to $1,000,000 and life imprisonment for Schedule I drugs. Dependent on the offense and its classification (according to the schedule of the drug), the sanction may vary but will be within the limits listed above. These sanctions are doubled when the offense involves either (i) distribution or possession at or near a school or college campus (emphasis supplied) or (ii) distribution to persons under 21 years of age. Additional sanctions include civil fines of up to $1,000,000 for simple possession and loss of eligibility for federal benefits. Descriptions of offenses and sanctions are located in the United States Code (U.S.C.), title 21, sections 801 et seq.

Excessive use of alcohol, for instance has been shown to result in damage to the heart and liver; impairment of brain activity, digestion and blood circulation; impairment of judgment, memory and motor skills; and ultimately may lead to death.
   - The use of illicit drugs has been shown to cause organic damage, impairment of physiological processes, and impairment to mental functioning. Risks of contracting hepatitis, AIDS and other infection increases when illicit drugs are injected. The use of illicit drugs may also lead to death.

D. The University of Memphis students have access to a wide variety of drug or alcohol related counseling/assistance programs, both on and off campus. On campus services, which are entirely free to students, include the Center for Student Development's Psychological Counseling Unit, the University's Health Center and the Department of Psychology's Counseling Services (Psychological Service Center). For more information on campus based services, contact the Center for Student Development at 678-2067.
   - Off campus programs to assist the substance abuser range from groups dealing with addictive behaviors - such as Alcoholics Anonymous - to full service, in-patient programs operated by local hospitals or health-related concerns. These programs may be contacted either directly or through referral by The Center for Student Development; although, none are operated with the assistance of the University.

E. Violation of University Policy as stated in Section A above will result in disciplinary action being taken against the responsible student. A violation may result in a sanction ranging from a simple warning and referral for treatment to a full suspension or expulsion from the University and may also result in referral for prosecution by local, state or federal authorities. For a more detailed view of the disciplinary process, see the **Student Handbook** section on student discipline ("Code of Conduct") at www.memphis.edu/stuhand2 or contact the Office of Judicial Affairs at 678-2298.

SEXUAL ASSAULT

What acts are considered sex offenses?

According to Tennessee law, sex crimes involve the use of force or coercion to sexually touch or sexually penetrate the victim's body. Threats of death or use of a weapon increases the severity of legal charges. Sex crimes can be prosecuted even if the victim knew the attacker, the victim did not fight back, the victim had sex with the attacker before being raped, or the victim was drunk or unconscious.

What should I do if I'm sexually assaulted?

Seek medical attention immediately. Do not shower, change clothes or disturb the scene of the attack. Go to the emergency room or call the Memphis Sexual Assault Resource Center (272-2020). Ask a friend to go with you, if possible. Medical personnel will treat the physical consequences of assault, such as injury, infection, disease and pregnancy. They can collect evidence that will be needed if you report the crime. They are required to contact local law-enforcement agencies; however, you may choose whether to speak with police personnel. You may choose to report the crime through several means.

Individuals at the Memphis sexual Assault Resource Center (272-2020), the Office of Judicial Affairs (678-2298), Police Services (678-4357), or the Center for Student Development counselors (678-2068) can talk with you about your decision to report the crime, help you find the resources you need, and respond to requests to change your academic or living situation because of the attack. Several community counseling services available to victims of sexual assault are listed in the Memphis Yellow Pages, under "Counseling". Remember, there is no shame in being raped.

Whether or not legal changes are filed, students accused of sexual abuse or assault are subject to disciplinary actions from the University, including suspension or other sanctions deemed appropriate. Both the accuser and the accused are entitled to have as advisor present during the disciplinary proceedings, and both will be informed of the outcome of the proceedings.

How does the University educate students and staff about sex offenses?

The offices and agencies listed above have information or referrals for rape awareness and prevention. In addition, the Center for Student Development, Student Health Services, and the Crime Prevention Unit of Police Services offer workshops, speakers, and programs on sexual assault education; participate in the Sexual Assault Awareness and Prevention and Campus Acquaintance Rape Education Programs; provide counseling for students; and distribute brochures on dating violence, acquaintance rape, rape crisis services. Tennessee sex crime laws and guidance for rape victims and their family and friends.

CRIME AWARENESS & CAMPUS SECURITY ACT OF 1990

1. The University of Memphis Procedure No. 2D: 06:01A provides that all suspicious and/or criminal activity should be reported to the Department of Public Safety, which is open 24 hours a day. Reports of such activity may be made in person to a member of the Department of Public Safety at the office (155 Administration Building), to any Officer on campus patrol, by telephone (678-4357 or MSU-HELP), or from any campus emergency telephone located at various sites across campus and in the lobbies of most academic buildings.
2. The campus and facilities of The University of Memphis are restricted to students, faculty, staff, guests and invitees of the University, except when all or part of the campus, its buildings or facilities are open to the general public for a designated time and purpose. Individuals loitering on campus without a legitimate purpose as specified above are issued trespass warnings and directed to leave campus; failure to comply with the warning will result in arrest.

   The main lobbies of residence halls are open from 7:00 a.m. to 12:00 midnight each day. After midnight, the residence hall lobbies are restricted to student residents and Residence Life staff. Visitation hours are established by a two-thirds majority of the residents of each individual hall at the beginning of each Fall semester. In any case, visitation hours may not exceed 12 hours (12:00 noon to 12:00 midnight) on weekdays and 14 hours (12:00 noon to 2:00am) on weekends. For more information concerning the residence hall visitation policy, consult the Residence Hall Application Reservation brochure available in the Office of Residence Life and Visitor Information Center.
3. The Department of Public Safety employs 30 commissioned peace officers. University Police Officers attend a basic police academy and an annual in-service training program in conformance with the requirements of the Tennessee Peace Officers' Standards and Training Commission. The University Police Officers' commission authorizes them to enforce state law on campus and on contiguous streets, and to investigate crime occurring on campus or against the University.

   Students are encouraged to promptly report crime and suspicious activity through various crime awareness and prevention programming sponsored by the Department of Public Safety and the Division of Student Affairs, including New Student Orientation and Residence Life programming. Students are further encouraged to report criminal activity as outlined in various University publications, including the Student Handbook and the Campus Safety and Security brochure.
4. The Department of Public Safety and the Division of Student Affairs sponsor on-going programming on crime prevention and safety awareness. Programming includes skits, videos, self-defense presentations and discussions presented to various student organizations and groups, resident students, and new students during orientation. This programming, as well as literature published by the University, encourages students to adopt safe behaviors and attempts to foster a sense of personal responsibility for safety among all members of the campus community.
5. The Memphis Police Department is notified of all felony crimes that occur on campus. Any sexual assault of a university student that is reported to the Department of Public Safety is also reported to the Memphis Police Department, whether the offense occurred on or off campus. The Tennessee Bureau of Investigation is also notified of any criminal activity deemed to be of special interest.
6. The sale, consumption or possession of alcohol or illegal drugs is prohibited on the campus of The University of Memphis and at any University sponsored student activity. Violators of this policy are subject to arrest and disciplinary action by the University. Further information regarding the University's policy on alcohol and drug use is contained in the Student Handbook in the sections entitled "The University of Memphis's Position on Drug and Alcohol Use", "Residence Life", and "The Code of Student Conduct" and in this schedule of classes.
7. No person, other than law enforcement officers when in the discharge of their official duties, may possess a weapon on premises owned, operated, managed, or under control of The University of Memphis. This exclusion includes individuals who have obtained permits to carry concealed weapons from the State of Tennessee or any other entity.

PARKING REGULATIONS

The U of M Parking Office is located at 3918 Central Avenue. Office hours are Monday - Thursday, 7:00am - 6:00pm, and Friday, 7:00am -

4:30pm. Please note: Hours may differ during U of M's student registration periods. Contact the Parking Office at 678-2212 for specific operating hours.

Campus Traffic and Parking Regulations are available in the Parking Office, 3918 Central Avenue, the Office of Judicial Affairs, University Center, and the Visitor's Information Center located at the corner of Patterson and Central.

Every vehicle parked on campus property must have a parking permit (hangtag) properly displayed. Parking meters have been placed in parking lots around the University for the use of visitors. Parking permits (hangtags) are designed to hang from the inside rearview mirror post but may be transferred to a replacement vehicle when the registered vehicle is not available. A temporary parking permit (hangtag) must be purchased from the Parking Office when you forget to transfer the regular hangtag. Parking permit fees range from $19 - $200 based on the level of parking desired. **If you lose your hangtag, a replacement fee of $10.00 will be charged. A lost or stolen permit (hangtag) must be reported to the Parking Office.** For additional information, telephone the Parking Office at 678-2212.

Parking lots are Priority (gate access), Reserved, General, Resident or Visitor. All University owned streets are reserved for Resident or Visitor parking. A parking sign is erected at the entrance to each lot and University owned street indicating the use of that lot or street.

Priority (gate access) lots have a limited number of spaces. These spaces are sold for either day or evening use and a parking space is virtually guaranteed. Applications for gate access parking are available in the Parking Office or in the Fee Payment Center during registration. Resident students may charge resident parking fees on their university account during dorm check-in.

Vehicles must be parked within parking spaces delineated by white lines. Improperly parked vehicles may be towed at owner's expense. The issuance of a parking permit (hangtag) does not guarantee a parking space on University property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with University parking regulations.

Visitor parking is provided in spaces where parking meters are installed in various locations around campus or in the Parking Garage located at Deloach and Norriswood Streets. Visitor Parking Permits (hangtags) are available at the Parking Office or Visitor Information Center for a fee of $1.00 per day. The Visitor Information Center is located at Patterson Street and Central Avenue and the Parking Office is located at 3918 Central Avenue.

Garage parking is available Monday through Friday at Deloach and Norriswood streets. Garage parking is $1.00 per hour or a daily rate of $4.00. Parking permit (hangtag) holders may be provided a discount on the all-day rate.

University Police officers, parking assistants, faculty members or staff employees are not empowered to allow anyone to violate the traffic and parking regulations. Storing articles of value (including radar detectors) in parked automobiles is discouraged. However, if articles must be left in an automobile they should be placed out of sight and/or located in the trunk. The University of Memphis does not assume responsibility for loss of personal property.

Motorists may obtain assistance or information from any campus officer on patrol or by calling 678-4357 (MSU-HELP), or by using any emergency telephone located at various sites across campus and in the lobbies of most academic buildings.
